

## Purcell Police Department

---

The Heart of Oklahoma...

The City of Purcell is a growing community in the heart of Oklahoma & our department is no different. Purcell P.D. currently has a strong reputation within our community and statewide. The candidates selected will be expected to continue and build upon this reputation for the future.

We are the county seat of McClain County. Our motivated officers take a pro-active approach to our communities' needs. Not only do we respond to calls for service & accidents, we patrol both rural & urban settings. Our jurisdiction also includes approximately nine miles of Interstate 35. **If you have what it takes, come join our family.**

The Purcell Police Department is one of the premiere law enforcement agencies in Oklahoma. Our professionalism speaks for itself. With a well-grounded law enforcement agency, we work hard with the citizens of our community to make Purcell a wonderful, safe place to live and work. With the trust and blessings of the community, we will continue to live up to our creed: *"As a Law Enforcement Officer, my fundamental duty is to serve mankind; to safeguard lives and property; to protect the innocent against deception, the weak against oppression or intimidation, and the peaceful against violence or disorder; and to respect the Constitutional rights of all men to liberty, equality and justice."*
